CV

Marina Huber

iOS Engineer and designer

I develop pretty shells wrapped around some kind of web services, called iOS native apps.
Along side Apple commercial practice I make animations and love to design UI.

EXPERIENCE

CODE BOHEMIA - iOS DEVELOPER   *Remote — January 2014 - Current*

- Kick-start of projects, written iOS app in Swift as MVP for various clients using regular Apple Design Guidelines.
- Builed and set up e-commerce websites and responsive design with implemention of frontend customisation.
