CV

Marina Huber
iOS Engineer and designer

I develop pretty shells wrapped around some kind of web services, called iOS native apps.
Along side Apple commercial practice I make animations and love to surf.

EXPERIENCE

**CODE BOHEMIA - ** iOS DEVELOPER   *Remote / Amsterdam — January 2014 - Current*
- Kick-start of projects, responsive websites design and implementation of frontend customisation.
- Builed and set up e-commerce websites and written iOS app in Swift as prototype for booking freelancers jobs.
- Helped create Philips Sonicare Enterprise app for sales, working with static libraries and connecting to their devices.

**APPSFACTORY - ** iOS DEVELOPER   *Leipzig, Germany— November 2018 - May 2019*
- Working in the iOS mobile team as part of the agency platform projects. We enabled two B2C apps to deliver their services with innovative solutions.
